Day 1, Cookie will teach her approach to abstract painting and demonstrate steps involved. Then students will work on their own abstract painting with guidance from Cookie. Day 2, Don will discuss elements of design & composition with a demo in the a.m. For the afternoon students need to bring 1 or 2 of their paintings they are struggling or unhappy with. We will look at watercolor rescue ideas and Don will offer hands on CPR suggestions for each artwork that students can apply using their watercolor paints.
